## La Salle's 125th Birthday Edition

Indexed by Jeffrey Brylski  
Index completed October 2018

The following is an index of the various people, topics, and photographs which appear in the News-Tribune celebrating the City of La Salle's 125th Birthday. The edition indexed was a supplement to the regular edition. If you are searching for an article or photograph cited below using microfilm, keep in mind the 48 page supplement was not numbered. However, the Richard A. Mautino Public Library in Spring Valley has a laminated copy of the supplement, which has been paginated for easy reference.
